

## Bored.com is anything but a boring site

The website appears lively and funny on first and subsequent visits, but is empty in the end.

There's nothing there (except for a few links to other websites).

If you simply pull up your browser, Bored.com will give you a new look.

There's a lot of things to see on the website, but it's not as much fun as it seems. It's not as much fun as it seems. It's not as much fun as it seems.

There are lots of things to see on the website, but it's not as much fun as it seems. It's not as much fun as it seems. It's not as much fun as it seems.
